Dear Dr. Robertson,

On behalf of First Baptist Church and the Church Benevolence Committee we would like to express our appreciation for your generous gift. The donation of \$1000.00 was distributed to four families in our church community during the Christmas season. The circumstances of each family was presented to the Benevolence Committee. Based on the information received from each family, we distributed your gift on these needs which are as follows:

1. Widowed Mother of three, recently involved in an automobile accident
2. Unemployed Father of three, with some medical problems
3. Self-employed Father of three, recently involved in an automobile accident
4. Family of five, with some employment/financial difficulties

As you know, churches in rural communities many times cannot meet the requests for benevolence. Most rural churches have less than 5% of its total budget allocated for a benevolence fund. We appreciate your concern for others and your consideration of the less fortunate. May God continue to bless you and your future endeavors.

Faithfully Yours,

Blaine "Bo" Eaton
Chairman of the Benevolence Committee
